

EXTENDED DAY SIGN-UP

We must have this form at the beginning of each week. If you need to add hours or subtract hours you may do that in person in the office or by phone...not with the counselor in the Water Lab. We will bill your credit card weekly (unless you want to pay by check in advance for the week). If you have made any changes, let us know in the office before Friday when we charge your card. We must have your card on record to sign your child into extended day. If you have already paid for extended hours, this will just verify the times and you will be billed or credited accordingly.

AFTER CAMP ICE CREAM ORDER FORM

Due to the number of allergies and other issues that have arisen around the ice cream truck in the summer, the truck will not be coming to our site any longer.

We are going to try something.

Children who have prepaid for ice cream at the beginning of the week (at \$1.50 per bar) will have a selection of 5 different ones from which to choose. Below is the Order Form. We must have it to buy enough each week.

If parents elect for a child to buy ice cream after camp, they can sign up below for the amount they wish to spend daily and the child will be placed on a list and will have their choice of the five types. This cost will be charged to your credit card or you may pay with a check or cash in the office in the beginning of the week.

No money will be exchanged at our ice cream stand.

This form will provide us with a list of how much we need to order each week.

We need to order the Monday before any week. A child does *not* have to be in After Camp to be on the ice cream list. We ask that you try to help us make this work. You can choose to do it for individual days or for a whole week. But we need to know ahead of time. There is a limit to how much we can store. Questions? Call us. We will send this out weekly or you can pick it up in the office. There is a limited amount of extra ice cream ordered weekly.
